THE BRIEF

Make a brand out of Central Province.

And brands begin
with a stance.

What could ours be?

CENTRAL
PROVINCE

PRODUCT ANGLE

Central Province offers superior quality at its price point.

LIFE ANGLE

Many whisky brands talk about success. Having arrived. Making it large. Making it to the corner office and the high-rise apartment.

While these may be significant goals for most people, they can also seem overbearing.

Truth is, people are mainly concerned with their immediate next step.

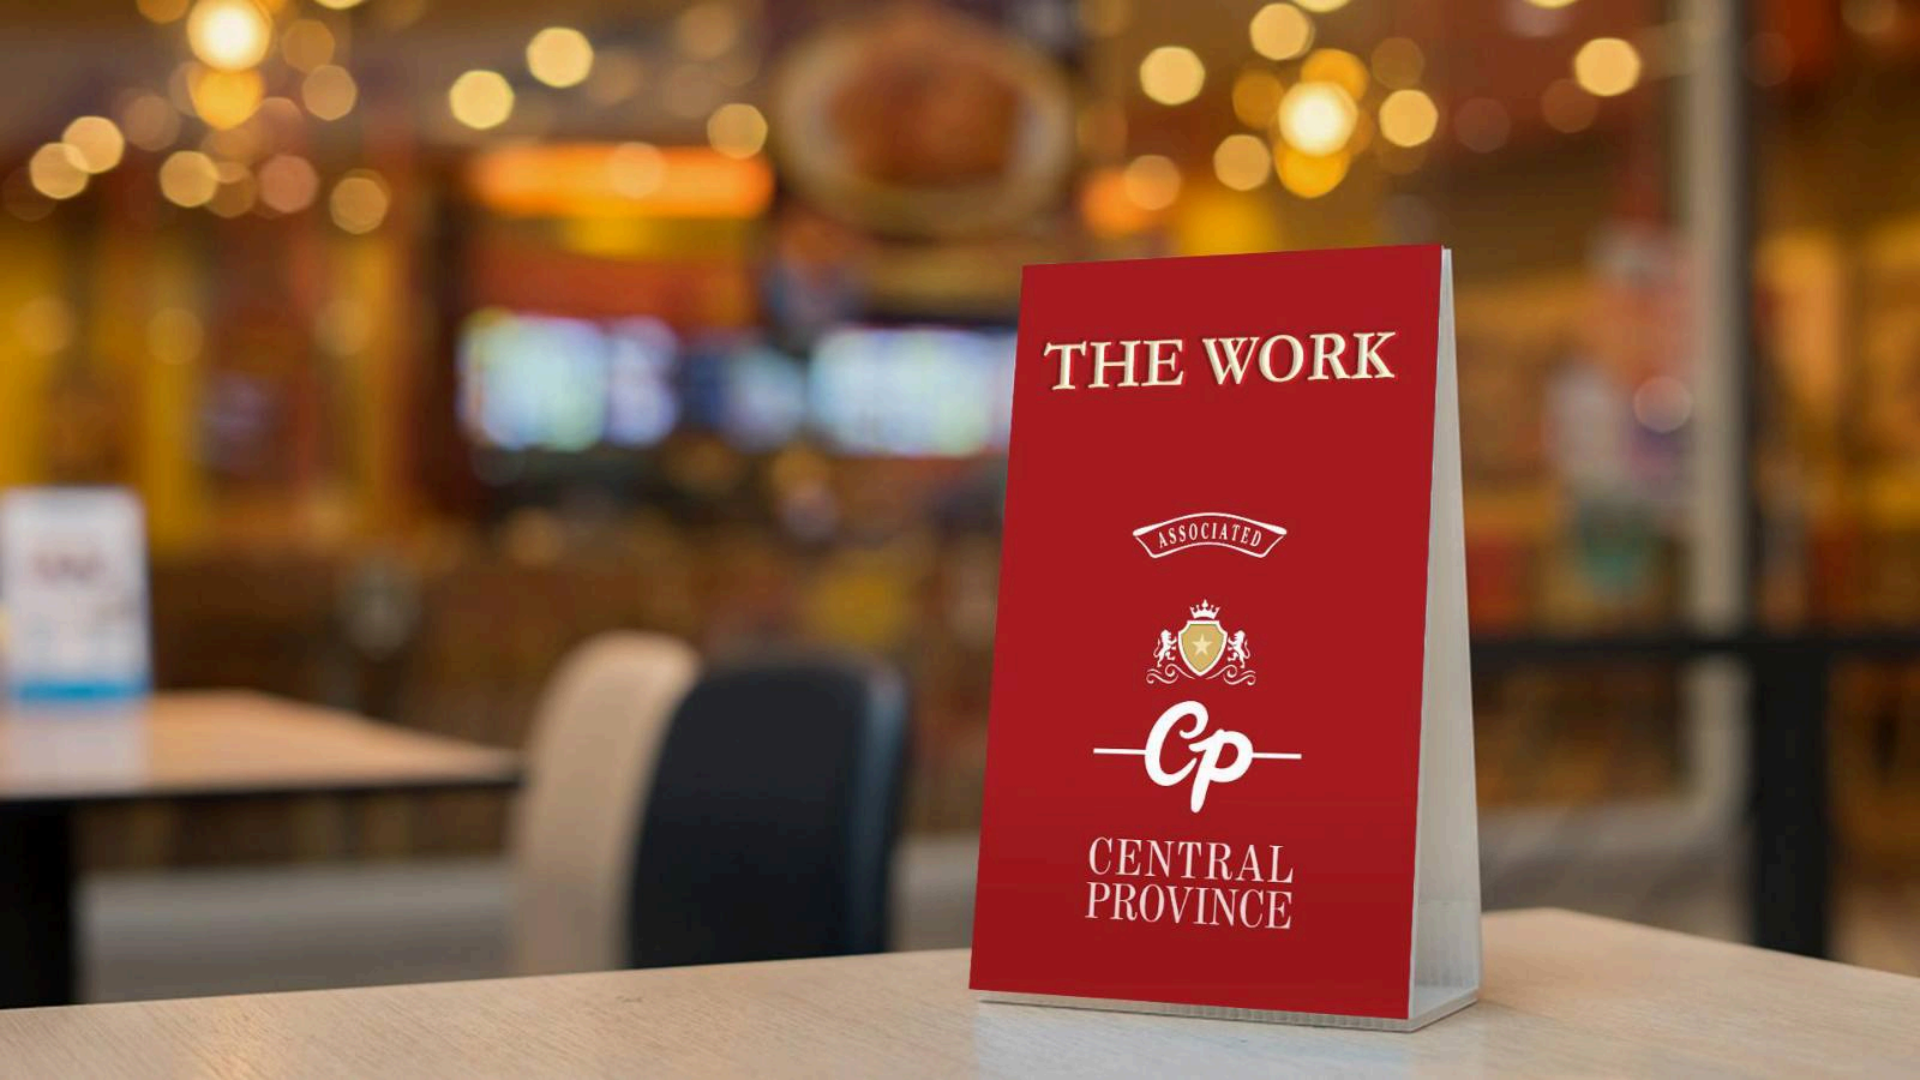

Because wherever you are in life,
there's always a need to step it up
a notch.

To go beyond.
To upgrade.
To...

PRODUCT ANGLE

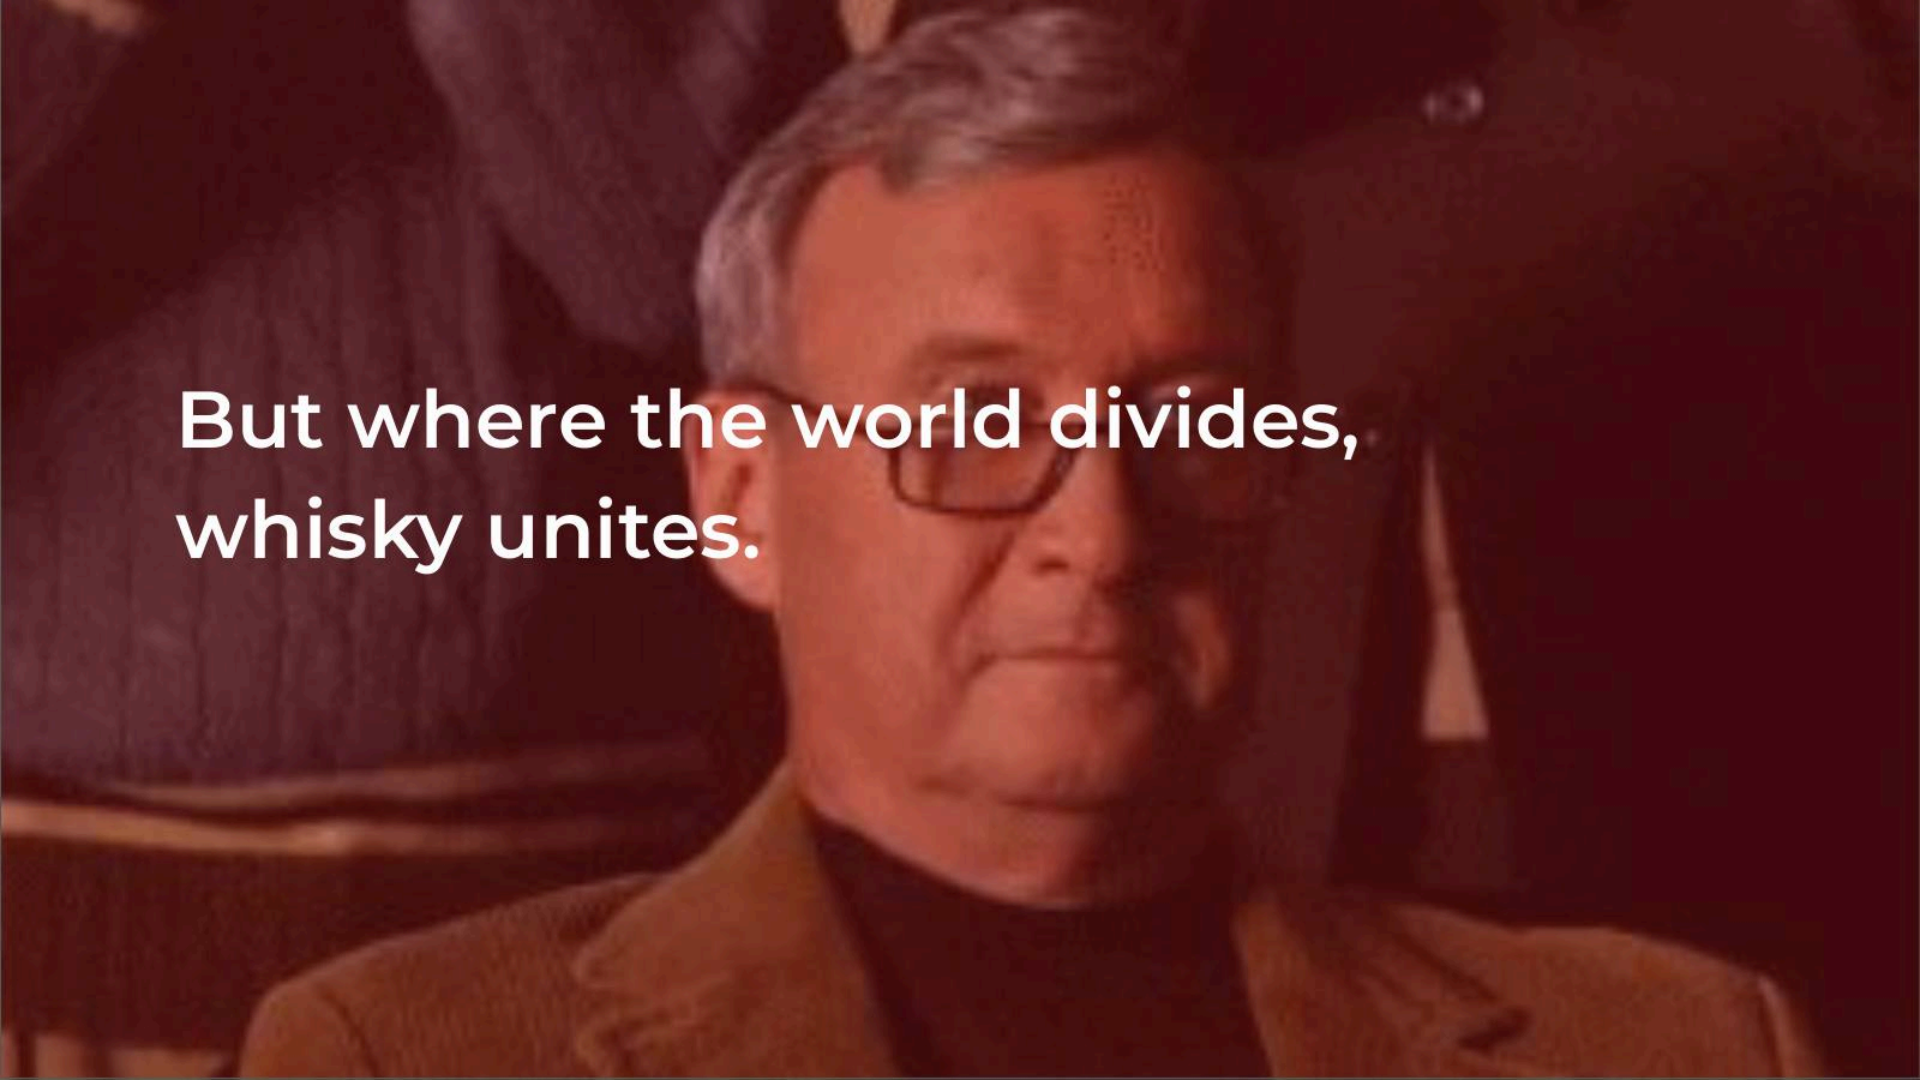

Central Province marries fine grain and malt whiskies to create a blend better than any in its class.

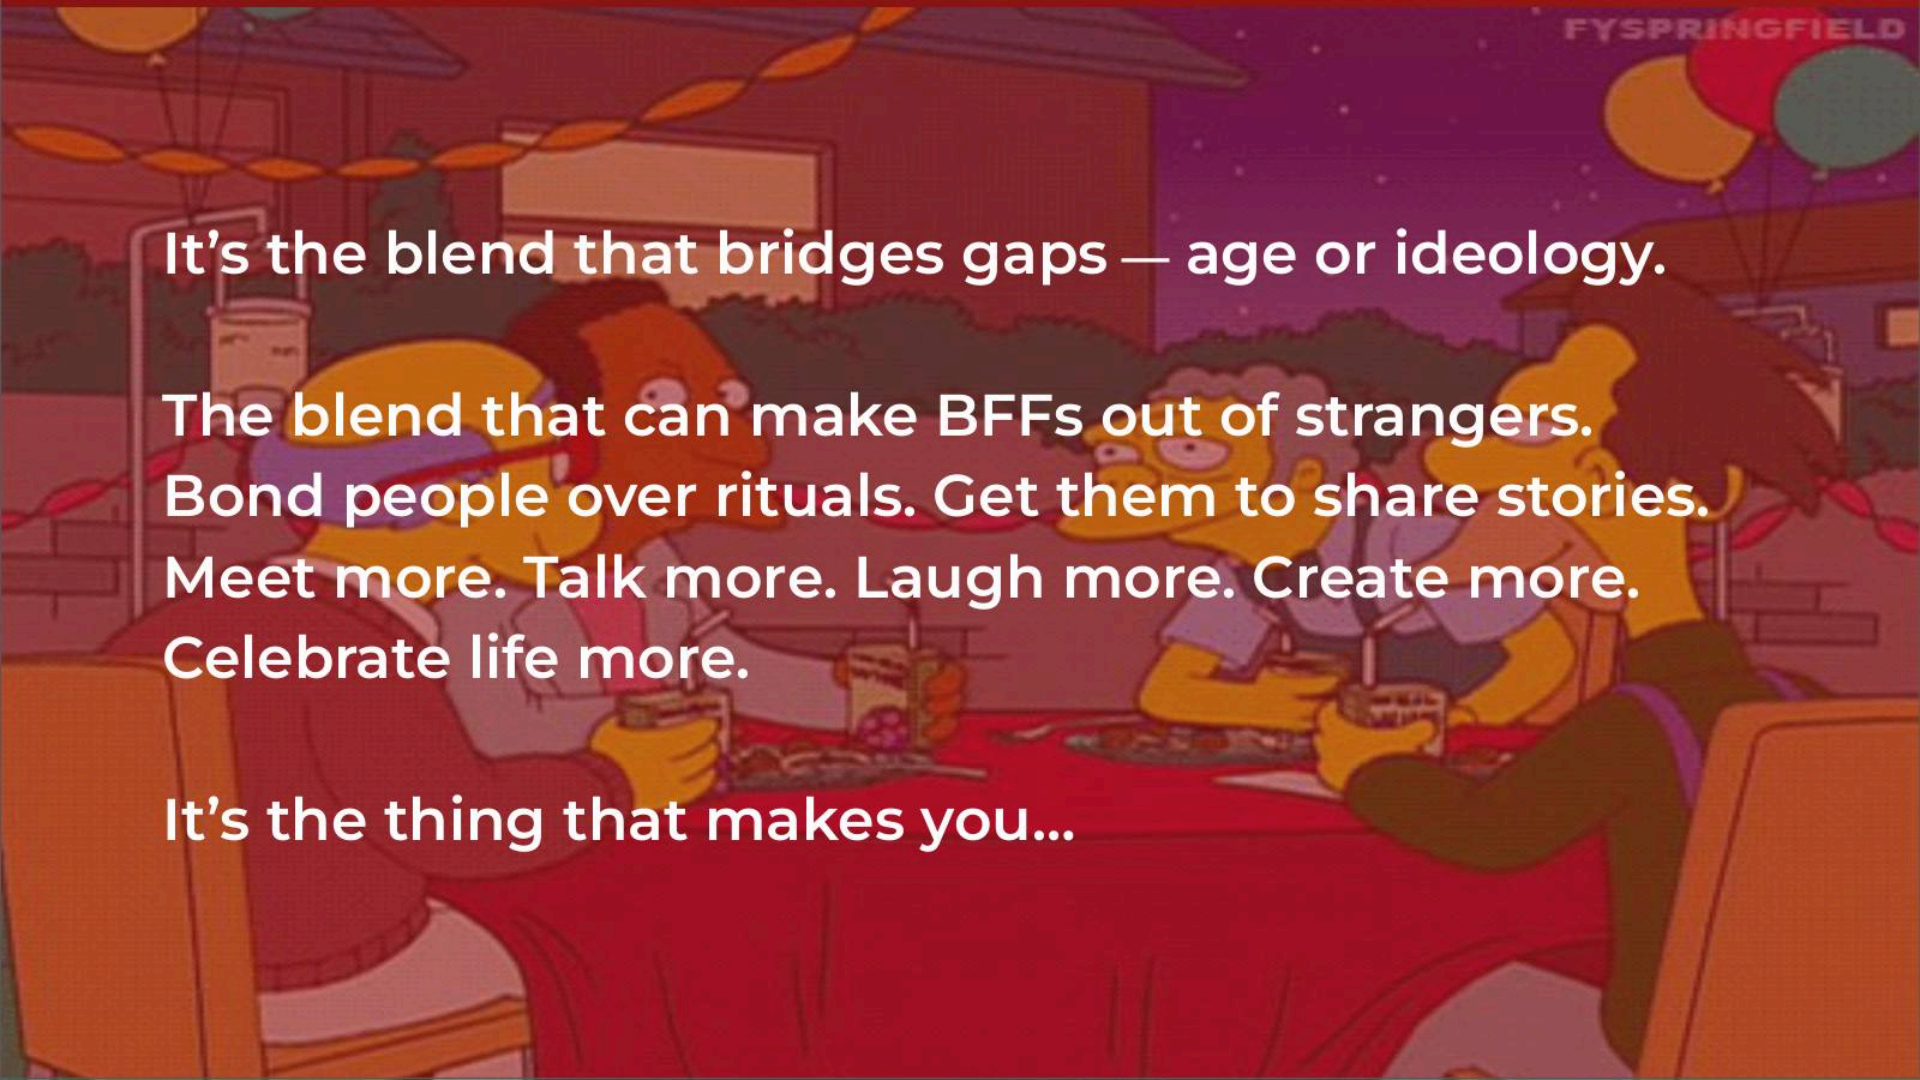

LIFE ANGLE

We live in divisive times.
Divided by ideas and opinions,
ideology and religion, cultures
and currencies.

But where the world divides,
whisky unites.

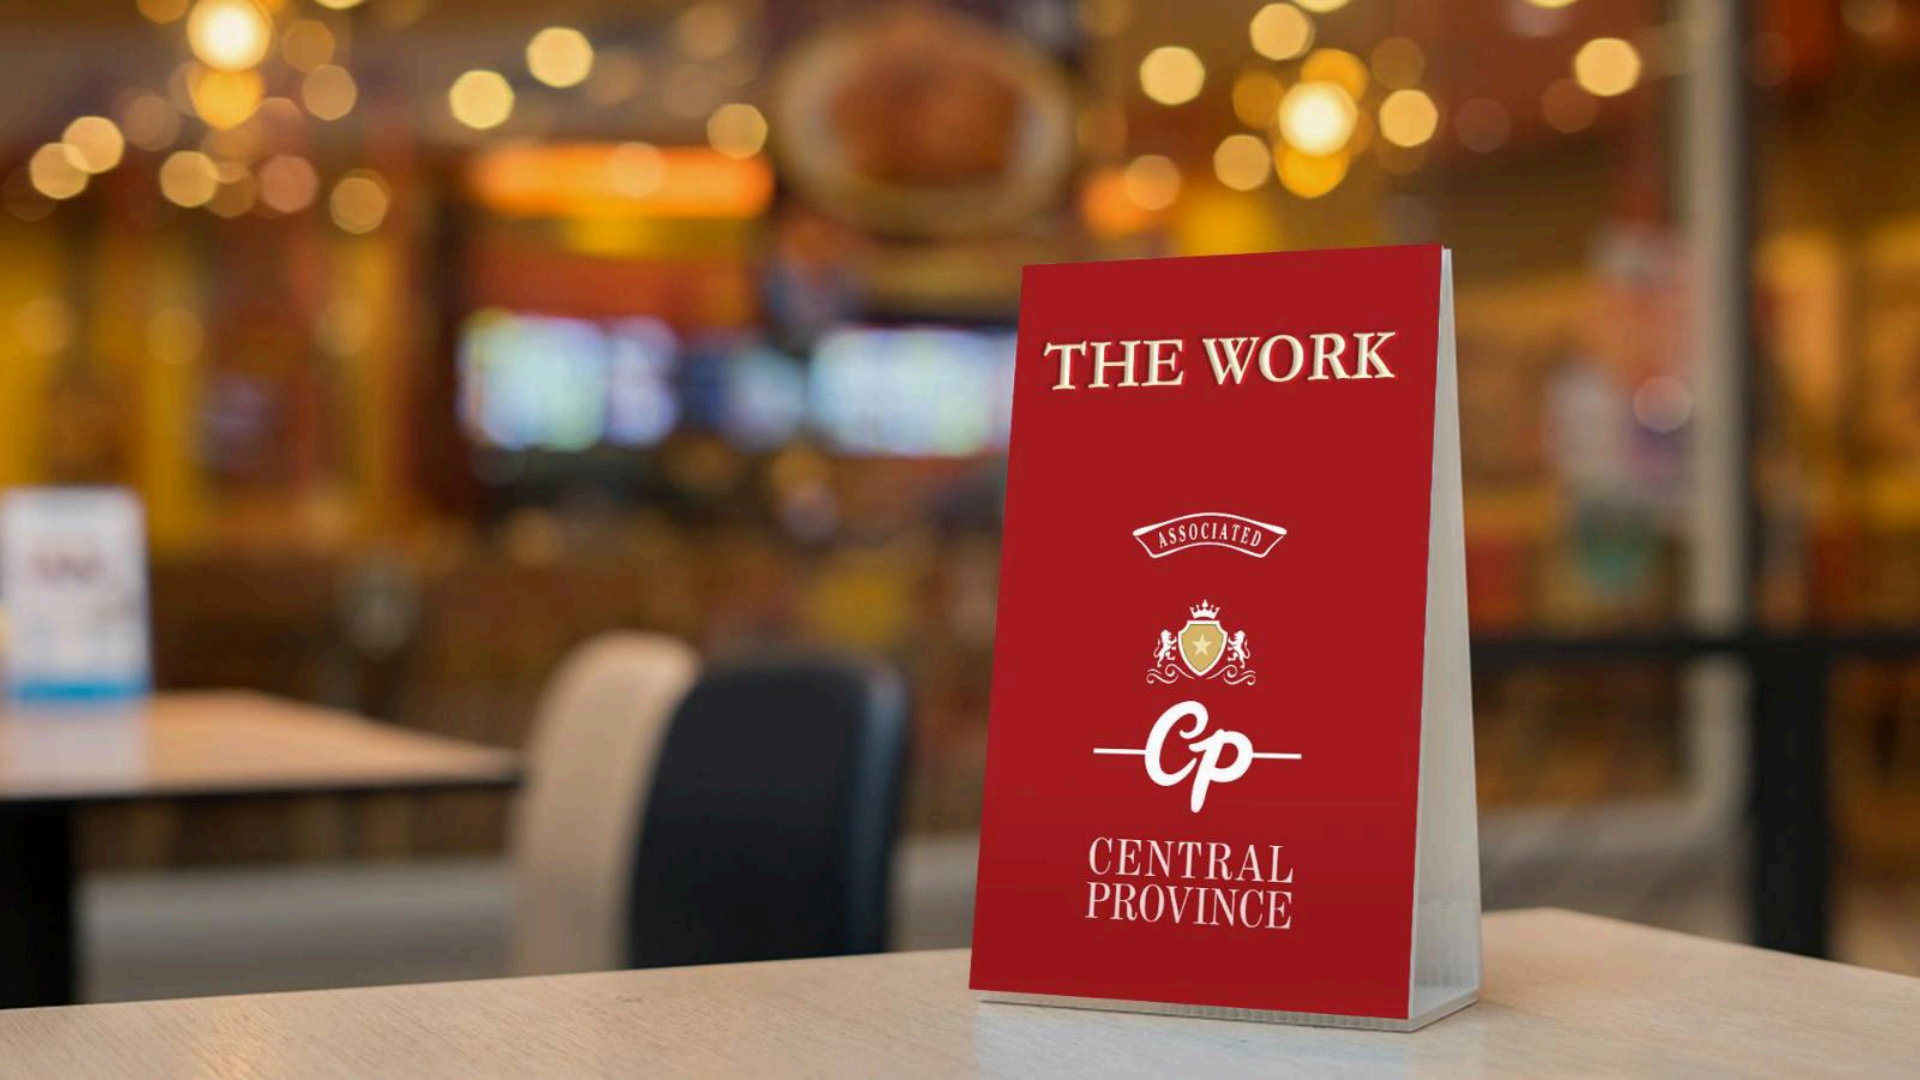

It’s the blend that bridges gaps — age or ideology.

The blend that can make BFFs out of strangers. Bond people over rituals. Get them to share stories. Meet more. Talk more. Laugh more. Create more. Celebrate life more.

It’s the thing that makes you...
